

Chapter 1: Introduction

Welcome

Welcome to the National University of Sciences and Technology (NUST), a premier national institution committed to imparting high-quality undergraduate and postgraduate education in various engineering disciplines, management, social, applied biosciences, architecture, information technology, and basic sciences. You represent a distinguished group of students selected strictly on merit to join this comprehensive University comprising 19 constituent colleges/schools/centers. Currently, NUST offers degree education in as many as 31 UG, 67 MS, and 43 Ph.D. programs in various NUST institutions.

NUST Vision

NUST aspires to be a comprehensive university providing a higher education experience grounded in thought leadership, co-creation of knowledge, and sustainability.

NUST Mission

We are committed to being a university that stimulates intellectual curiosity, behavioural progression, and environmental stewardship. We nurture future leaders, job creators, and lifelong learners, with the ability to foster partnerships, and intercultural competence to impact their communities and beyond. Through adherence to our core values, we create an ecosystem that promotes research, innovation, and productivity.

NSHS Vision

To be a leader in graduating doctors who will make a difference in our communities by expanding educational excellence, scientific innovation and integrating technology while enhancing health care through strong ethical and evidence-based practice.

NSHS Mission

To produce physicians for the twenty-first century who uphold the standards of science, are compassionate, research-oriented, knowledgeable, skilled, life-long learners and devoted to both their profession and society.
